Please monitor announcements

Mobile Phones in the Main hall- Mobile phones, smart phones and other electronic devices such as lap tops and tablets **must be completely switched off** in the main hall so may not be used as cameras. Please remember that you are not allowed to make audio or video recordings on any device. Phones and cameras are also not allowed in the photo/auto room

Flash Photography is only permitted for the first five minutes of each talk. However and wherever you are taking pictures, please be considerate of your fellow attendees and ensure that you are not obstructing their views. Please ensure that your camera isn't making beeping noises. If you need help turning off sounds please ask for assistance.

The Chelsea Room (room on the right hand side before main Hall) will be open for craft making with assistance all weekend. If you would like to make a simple mask for the Ball or help us to make items to be sent to NOH we encourage you to join us.

The lobby team have a dedicated twitter account for keeping you up to the minute with any schedule changes and the progress in the photo/auto room. Follow @GABITATX, listen to announcements and keep an eye on the flip chart.
